## MELT AWAY STRESS WITH SMART BATH STORAGE SOLUTIONS

Who couldn't use a little help keeping life better organized? Tucked inside our cabinets are a multitude of organizational options just waiting to tidy your towels and make sense of your mess. With so many options to choose from, you can select the right combination for your personal needs. After all, cabinet organization is more than storage — it's peace of mind.

### DESIGNER TIP:

Built-in storage is often overlooked when designing a bath. Avoid the cost and inconvenience of retrofitting after the fact.

**Get it right from the start.**

### PRIORITIZE THE OPTIONS YOU WOULD LIKE:

Circle the organizational features that you want to include in your bathroom design and then share this sheet with your designer. Take it a step further and color-code by circling must-have items in one color and nice-to-have items in another color.
